

15-17th April 2021

The Food Chemistry Section in cooperation with the Young Chemists' Section of the Romanian Chemical Society, would like to invite you to attend the first edition of AdFoodChem 2021 International Conference, held on-line, between 15-17th of April 2021. The conference will allow an exchange of ideas and experiences between researchers in various areas of applied food chemistry and innovation in food processes engineering. The main topics are food composition and authenticity, food sustainability, functional foods, food packaging, food processing, food safety. Above those main topics, other food related research is welcomed.

The conference program will include a "Career Day" event for soft skills development. This program is designed for young chemists, nonetheless, everyone who is interested in developing their presentation and communication abilities, as well as improving their writing skills is welcomed.

Conference Program

Scientists from all over the world are kindly invited to present the results of their research:

- Plenary conferences
- Oral communications
- e-Poster

The Conference will include also "Career Day" section.

The official language of the conference is *English*.

Guidelines for Contributors

- The abstract will be prepared in Word format (.doc or .docx) using the template available on the Conference website and submitted during registration at <https://forms.gle/GtWhUdx5vj9efg97>
- The abstract must include the full names of all authors (the name of the presenting author should be underlined), the affiliation and the corresponding addresses
- The submitted abstract must be approved by the Scientific Committee
- Only the accepted abstracts will be included in the program and in the **Book of Abstracts**.

Complete information about the conference can be found on the conference website.

Important dates

- 15 January 2021 Registration opening
- 15 March 2021 Deadline for submission of abstracts and registration
- 30 March 2021 Confirmation of acceptance
- 10 April 2021 Announcement of the final Program of the Conference on AdFoodChem 2021
Conference's web page

Registration fees

	SChR members	EuChemS members
Academic participants	free	free
Students (BSc, MSc or PhD)	free	free

Taking into consideration the dire current situation, the Organizing Committee decided to wave the registration fee for this edition.

The conference is free only for members, if you are not a member and you would like to join the conference please contact us.

Registration fees include attending on-line conference sessions and Book of abstracts (electronic version).
